PATENT ASSIGNMENT AGREEMENT

WHEREAS, the undersigned, WRQ, Inc., a Washington corporation having a place of business at 1500 Dexter Avenue North, Seattle, Washington 98109-3032 ("Assignor"), is the owner of the entire right, title and interest in the patent applications listed on attached Exhibit A (the "Assigned Patent Properties"); and

WHEREAS, NetMotion Wireless, Inc., a Washington corporation having a place of business at 1500 Dexter Avenue North, Seattle, Washington 98109-3032 ("Assignee"), is desirous of acquiring the Assigned Patent Properties and any rights in the Assigned Patent Properties for good and valuable consideration.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by Assignor to have been received in full from Assignee:

1. Effective upon execution, Assignor does hereby sell, assign, transfer and convey unto Assignee, all of its right, title and interest together with the benefits and privileges in and to said inventions and discoveries set forth in the Assigned Patent Properties, said application for Letters Patent or similar forms of protection of the United States of America, and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all provisionals, divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or discoveries, or upon said application, and any and all Letters Patent, reissues and extensions of Letters Patent or similar forms of protection granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;

2. Assignor hereby covenants and agrees to cooperate with Assignee to enable Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States and any other foreign countries. Such reasonable cooperation by Assignor shall include production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed reasonably

necessary or desirable by Assignee and agreed to by Assignor which agreement shall not be unreasonably withheld, (a) for perfecting in Assignee the right, title and interest herein conveyed; (b) for filing and prosecuting substitute, divisional, continuing or additional applications covering the Assigned Patent Properties; (c) for filing and prosecuting applications for reissuance of any of the Assigned Patent Properties; (d) for interference or other priority proceedings involving the Assigned Patent Properties; and (e) for legal proceedings involving the Assigned Patent Properties for infringement actions and court actions; provided, however, that the expense incurred by Assignor in providing such cooperation shall be paid for by Assignee. In the event that Assignee is unable for any reason to secure Assignor's signature to any document required to apply for or execute any patents (including improvements, renewals, extensions, continuations, divisions or continuations in part thereof), Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as Assignor's agent and attorney-in-fact to act for and in its behalf, and instead of Assignor, to execute and file any such applications and to do all other lawfully permitted acts to further the perfection, prosecution and issuance of patents or other rights therein with the same legal force and effect as if executed by Assignor.

3. Assignor warrants that it has not conveyed to others any rights in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and warrants that it have good right to assign the same to Assignee without encumbrance;

4. Assignor authorizes Assignee to file patent applications in any or all countries or groups of countries on any or all of said inventions and discoveries in our name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or any other relevant convention or treaty or otherwise;

5. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein, or otherwise as Assignee may direct;

6. The terms and covenants of this assignment shall inure to the benefit of Assignee, their successors and assigns, and shall be binding upon Assignor and its assigns.

IN WITNESS WHEREOF, Assignor has executed and delivered this instrument to Assignee effective the 29th day of March, 2001.
