GRANT OF SECURITY INTEREST IN PATENTS

THIS GRANT OF SECURITY INTEREST IN PATENTS, dated as of July ____, 2016, is executed by MARKING OBJECT VIRTUALIZATION INTELLIGENCE, LLC, a Texas limited liability company ("Grantor"), in favor of ROVI SOLUTIONS CORPORATION, a Delaware corporation having a principal place of business at 2 Circle Star Way, San Carlos, CA 94070 ("Secured Party").

Pursuant to a certain Patent Rights Agreement, executed as of June 27, 2016 (the "Agreement"), by and between Grantor and Secured Party, Secured Party has sold, assigned, transferred, and conveyed to Grantor its rights, title and interests in, to and under the patents and patent applications set forth in Schedule A or any patent or patent application claiming priority to such patent or patent application, any domestic or foreign patent or any patent application corresponding to any preceding application or any divisional, continuation, continuation-in-part, substitution, revival, renewal, extension or reexamination application, or any patent that issues or reissues from any of these patent applications (the "Patents"), upon the terms and subject to the conditions set forth therein;

Pursuant to the Agreement, Grantor has granted to Secured Party a first priority pledge, lien and security interest in all of its rights, title and interests in, to and under the Patents and all proceeds thereof (the "Collateral"), as security for Secured Party's obligations under the Agreement and damages resulting from any material breach or default thereof;

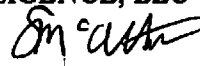

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Grantor does hereby further grant to Secured Party a first priority pledge, lien and security interest in the Collateral as security for Secured Party's obligations under the Agreement and damages resulting from any material breach or default thereof.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the first priority pledge, lien and security interest in the Collateral granted hereby are more fully set forth in the Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

IN WITNESS WHEREOF, Grantor has caused this instrument to be executed as of the day and year first written above.
