ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Vladimir Levinski, residing at Hermon 9, 23100 Migdal HaEmek, Israel, the undersigned

Hereby sells, assigns and transfers to KLA-Tencor Corporation, having a place of business at One Technology Drive, Milpitas, California 95035, its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions disclosed in the following patent application:

Country	Patent Application No.	Filing Date	Title
US	62/264,514	December 8, 2015	Control of Amplitude and Phase of Diffraction Orders Using Polarizing Targets and Polarized Illumination
PCT	PCT/US2016/035190	June 1, 2016	Control of Amplitude and Phase of Diffraction Orders Using Polarizing Targets and Polarized Illumination

And in and to said application and all applications that claim priority to the aforementioned application including all non-provisional, divisional, continuation, reissue, and continuation-in-part applications, or national or regional phase applications thereof, which have been or shall be filed in the United States and all foreign countries on any of said inventions; all rights of priority to any of the aforementioned applications; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

Agrees that said Assignee may apply for and receive Patents for said inventions in its own name; and agrees that, when requested, shall execute all rightful oaths or declarations, assignments, powers of attorney, and other papers and generally do everything possible which

said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining, and enforcing proper patent protection for said inventions; and

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
