PATENT ASSIGNMENT

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, Jeffrey Han (hereafter the "Assignor") hereby sells, assigns, and transfers to Tyger Manufacturing LLC, a California limited liability company having a principal place of business at 340 S. Lemon Avenue, #1114, Walnut, CA 91789 (hereinafter the "Assignee") all of his right, title, and interest, worldwide, in and to the patents and patent applications listed in Exhibit A attached hereto and made a part of this Assignment (hereafter the "Patent Rights"), and any non-provisional, continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and any patent(s) issuing therefrom; to the full end of the term or terms for which such patent(s) may issue. Said entire right, title, and interest to be held and enjoyed by the Assignee the same as they would have been held and enjoyed by the Assignor had this assignment not been made.

Assignor further agrees to execute all papers necessary in connection with the application and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and also to execute separate assignments in connection with such application(s) as the Assignee may deem necessary and/or expedient.

Assignor further agrees to execute all papers necessary in connection with any interference proceeding that may be declared concerning the application and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with the interference.

Assignor further agrees to perform all affirmative acts that may be necessary to obtain a grant of a valid United States patent(s) in the name of Assignee.

Assignor represents that he has the full right to convey the entire interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict therewith.

IN WITNESS HEREOF, this Assignment is executed and becomes effective on the date indicated below:

Jeffrey Han
