ASSIGNMENT AND INVENTOR'S DECLARATION

WHEREAS, I, Mika Lokkinen (Assignor) of Rütli 2-4, EE-10130 Tallinn, Estonia have invented a certain invention entitled PART OF CLEANING DEVICE for which I am making design application for Letters Patent of the United States, the specification of which is attached hereto; and

WHEREAS, Picote Oy Ltd. (Assignee), a corporation organized under the laws of Finland, having an address at Urakoitsijantie 8, FI-06450 Porvoo, Finland, is desirous of acquiring the entire interest, title and interest in and to the application and invention, and to any United States patents to be obtained therefor:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Mika Lokkinen, hereby sell, assign and transfer to Picote Oy Ltd., its successors and assigns, the entire right, title and interest in and to said invention, design patent application and patent rights in the United States including all rights of priority from the filing of the application; said invention, design application and letters patent in the United States and foreign countries, all divisions, continuations, reissues and extensions thereof, including any right to bring or maintain an action for infringement under the provisional rights granted pursuant to Title 35, Section 154 of the United States Code or any other cause of action for acts which would constitute infringement occurring prior to this assignment, and including the right to claim priority under the International Convention of Paris (1883), as amended, or in any corresponding foreign patent application, and we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to Picote Oy Ltd., its successors and assigns.

As a below named inventor, I hereby declare that this

assignment and declaration is directed to the above-identified design application having the title shown above. The above-identified application was made or was authorized to be made by me. I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby declare and acknowledge that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Executed at Porvoo (City), Finland (Country),
this 6 day of June, 2016.
