## PATENT ASSIGNMENT

**WHEREAS**, we, David J. Powell, an individual and citizen of the United States and residing in Lowell, Michigan; Jeffrey S. Wilcox, an individual and citizen of the United States and residing in Grand Rapids, Michigan; and Dante M. Zeppa, an individual and citizen of the United States and residing in Grand Rapids, Michigan, (hereinafter ASSIGNORS) have invented certain new and useful improvements relating to a **TABLE WITH INTEGRATED LIGHTING**, as disclosed and claimed in U.S. Provisional Patent Application No. 62/175,353, filed on June 14, 2015, and U.S. Patent Application No. 15/181,779, filed on 6/14/16; (to be filled in by attorney after patent application is filed)

**WHEREAS**, ASSA GROUP, INC., a Michigan corporation having its principal place of business at 12900 Christopher Drive, Lowell, Michigan 49331 (hereafter ASSIGNEE), desires to acquire a one hundred (100%) percent interest in and to said invention and the patent application;

**NOW, THEREFORE**, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, the undersigned by these presents do sell, assign and transfer unto ASSIGNEE, its successors, assigns and personal representatives, all of their rights, title and interest in the United States of America and all foreign countries in and to their interest in said inventions as described in the aforementioned patent application and to any improvements on said inventions heretofore or hereinafter made, and to the patent application as well as any divisional or continuing application emanating therefrom, and any foreign counterparts of said applications, and all patents, United States and foreign, granted upon any such applications or for the inventions described therein, and any reissues or extensions of said patents; we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said application(s) reflecting the ownership interest as the one hundred (100%) percent assignee thereof;

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

ASSIGNORS further covenant that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said Letters Patents and legal equivalents as may be known and accessible to ASSIGNORS and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof;

For said consideration we hereby covenant and agree that we are the owners of the full undivided interest herein assigned and have the right to assign the same, and agree that we will communicate to ASSIGNEE or its representatives, any facts known to us respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of ASSIGNORS is necessary to vest in it and protect the legal title sought to be assigned.
