ASSIGNMENT

For valuable consideration, THOMAS J. WELSH, JR and PD3D, Inc., an Illinois corporation, hereby jointly assign to HOMALLY INC., an Illinois corporation, having a business address of 475 East Oxford Road, North Barrington, IL 60010, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are subject of:

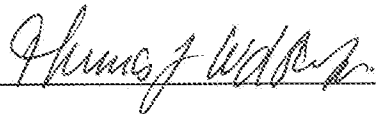

U.S. Patent Application No. 14/624,436 filed February 17, 2015

U.S. Provisional Application No. 61/974,520 filed February 17, 2014

this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and to apply in all countries in my name or in its own name for patents, utility models, design registrations, and like rights of exclusion, and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives, and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements, and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
