ASSIGNMENT

THIS ASSIGNMENT, by

ROBERT W. PARKS, 1066 KELLY DRIVE, SAN JOSE, CALIFORNIA 95129

FRANCESCO GIANNINI, 3022 CEDAR HILL RD, FALLS CHURCH, VIRGINIA 22042
(hereinafter collectively referred to as "the Assignor"), witnesseth:

WHEREAS, the Assignor has invented certain new and useful improvements in a SOLAR-POWERED AIRCRAFT as set forth in applications for Letters Patent of the United States, which include,

- (1) a provisional application
(a) bearing Application No. 62/150,520 and filed on April 21, 2015;
(b) to be filed herewith; and
- (2) a non-provisional application
(a) bearing Application No. 15/134,938 and filed on April 21, 2016;
(b) having an oath or declaration executed on even date herewith prior to filing of application;
(c) having an oath or declaration executed on a different date than this Assignment; and

WHEREAS, AURORA FLIGHT SCIENCES CORPORATION, a corporation duly organized under and pursuant to the laws of DELAWARE and having its principal place of business at 9950 WAKEMAN DRIVE, MANASSAS, VIRGINIA 20110 (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions, the right to file applications on said inventions and the entire right, title and interest in and to any applications, including provisional applications for Letters Patent of the United States or other countries claiming priority to said application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents do sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assign the Assignor's entire right, title, and interest in and to the above-mentioned inventions, the right to file applications on said inventions and the entire right, title and interest in and to any applications for Letters Patent of the United States or other countries claiming priority to said applications, and any and all Letters Patent or Patents of the United States of America and all foreign countries that may be granted therefor and thereon, and in and to any and all applications claiming priority to said applications, divisions, continuations, and continuations-in-part of said applications, and reissues and extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of

execution and delivery of these presents, the Assignor is the sole and lawful owners of the Assignor's entire right, title, and interest in and to the invention set forth in said application and said applications, including provisional applications, above-mentioned, and that the same are unencumbered, and that the Assignor have good and full rights and lawful authority to sell and convey the same in the manner herein set forth:

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Patents, or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee as the Assignee of said inventions, the Letters Patent to be issued for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns. This sale, assignment, transfer and conveyance also includes all past, present, and future claims for infringement and other violations which could have been brought in Assignor's name, or with others.
