Serial No.: 62/356,156Filed: June 29, 2016**Assignment Of (1) U.S. Provisional Patent Application, (2) U.S. And Foreign (Non-U.S.) Patent Rights, And (3) Invention Or Improvements**

In Consideration of One Dollar and other good and valuable considerations, the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in **MEASURING DEVICE**, and in the United States of America provisional application for Letters Patent therefor, and in any non-provisional application for United States Letters Patent claiming priority thereto or converted therefrom, or any continuing application of said any non-provisional application and in any reissue or extension of any Letters Patent that may be granted upon said any non-provisional application or upon said any continuing application are hereby assigned by the undersigned to **PEDDINGHAUS CORPORATION**, a Delaware corporation, having offices at **300 North Washington Ave., Bradley, Illinois, United States of America**, and the successors, legal representatives and assigns of **PEDDINGHAUS CORPORATION** (hereinafter collectively called said Assignee), and the Commissioner of Patents and Trademarks is hereby authorized and requested by the undersigned to issue said Letters Patent to said Assignee.

For said considerations it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to, or required for filing or prosecution of, (A) said provisional application and said any non-provisional patent application claiming benefit of, or converted from, said provisional application, or (B) said any continuing application of said any non-provisional application, or (C) the reissue or extension of any Letters Patent that may be granted on said any non-provisional application or on said any continuing application that said Assignee may deem necessary or expedient, and for the said considerations it is further agreed by the undersigned, upon the request of said Assignee, in the event of said any non-provisional application, or said any continuing application of said any non-provisional application, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Reexamination or Derivation Proceedings, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said considerations the entire right, title and interest in said invention or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, and the right to file applications for patent in said Assignee's own name for said invention or improvements in each and every country of the world are hereby assigned and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee. The undersigned also further agrees, for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Letters Patent in the United States or foreign countries. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony.
