ASSIGNMENT OF INVENTION AND OF LETTERS PATENT

Whereas, I, Gary David Hanks, whose address is 1249 Oliver Street, Bowling Green, Kentucky 42104, have invented certain improvements in **COMPOSITE FLUID SEPARATOR** as set forth and described in United States Patent No. 6,763,952 issued on 7/20/2004; and

Whereas, BMFILTERS, INC., a corporation whose address is 1249 Oliver Street, Bowling Green, Kentucky 42104 including its successors and assigns, desires to acquire my entire right, title and interest in said application and invention, and any United States and foreign patents to be obtained therefor;

Now therefore, in consideration of one dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign and transfer unto said B M FILTERS, INC., the entire right, title and interest in said application and the invention disclosed therein for the United States of America and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended and the entire right, title, and interest in and to any and all provisional patent applications, United States utility or design patent applications and any PCT and/or foreign patent applications, patents, continuations, continuations-in-part, and reissues based thereon which may be filed or granted therefor in the United States or any foreign country. I also agree that B M FILTERS, INC. may apply for foreign Letters Patent on the invention, and I agree to cooperate with B M FILTERS, INC. and to execute without additional consideration any additional documents as deemed necessary by B M FILTERS, INC. to apply for or maintain patents or other legal protection for the invention in any country of the world.

I hereby authorize and request the U.S. Commissioner of Patents and Trademarks to issue any Letters Patent granted upon the invention set forth in this application to said B M FILTERS, INC..
