ASSIGNMENT

WHEREAS, I, William J. Balfour, Jr., residing at 119 Beverly Road, Torrington, Connecticut 06790, have invented new and useful improvements in

Buffer Tube Strain Relief

for which I have made provisional patent application for Letters Patent of the United States, which application was filed on August 14, 2015 under Serial No. 62/205,020 and

WHEREAS, Electric Motion Company, Inc., a Connecticut corporation, having a place of business at 110 Groppo Drive, Winsted, Connecticut 06098, is desirous of acquiring the entire right, title and interest in and to said improvements, the provisional patent application and any Letters Patent which may be granted on any application claiming priority of the provisional application;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of One (1) Dollar to me in hand paid and other good and valuable consideration, receipt of which is hereby acknowledged, I, the said William J. Balfour, Jr., sell, assign and transfer to Electric Motion Company, Inc., its successors and assigns (hereinafter called "Assignee"), the entire right, title and interest in and to said improvements, the provisional application and any utility application claiming the priority of said application and in and to any Letters Patent which may be obtained thereon in the United States and in all countries foreign thereto, together with said application and all utility, divisional, continuing, substitute, renewal, reissue, and other applications for Letters Patent which have been or may be filed on said improvements in the United States or any other country; the same to be held and enjoyed by the Assignee for its and their sole use and behoof; and I do hereby further assign to the Assignee the right to file applications for patent in all countries on said improvements and all rights of priority resulting from any application for Letters Patent filed on said improvements.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Letters Patent of the United States on said improvements to the Assignee.

I further covenant and agree that when requested by the Assignee, and without further consideration, but at the cost and expense of the Assignee, I will, for any and all countries, execute and deliver all applications for patent on said improvements, execute all lawful oaths and other papers, supply to the Assignee all facts and evidence known to me relating to said improvements and the history and development thereof, testify in all interferences, suits, and other legal proceedings, and generally do everything rightful
