ASSIGNMENT

WHEREAS, Constantia Flexibles International GmbH is the owner and applicant for each of the U.S. design patent applications listed in the attached Schedule of U.S. design patent applications; and

WHEREAS, Constantia Teich GmbH, an Austrian corporation, having its principal place of business in Wien, Austria, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Constantia Flexibles International GmbH has sold, assigned, and transferred, and does hereby sell, assign, and transfer, to Constantia Teich GmbH, its successors and assigns, any and all right, title, and interest to the design patent applications listed in the attached Schedule, to all inventions disclosed in the design patent applications listed in the Schedule, to all patents issuing therefrom, to all applications and patents claiming benefit of or claiming priority to the design patent applications listed in the Schedule, to all reissue, continuation, and/or divisional patent applications and patents of the design patent applications listed in the Schedule, and to all applications and patents continuing at least in part from the design patent applications listed in the Schedule, in the United States, its territories, and in any and all foreign countries.

Constantia Flexibles International GmbH hereby authorizes and requests the officials in the United States Patent and Trademark Office and in the Patent Office of any and all foreign countries to issue any and all patents, when granted, to Constantia Teich GmbH, or its successors or assigns, as the assignee of Constantia Flexibles International GmbH's entire right, title, and interest in and to the same.

Further, Constantia Flexibles International GmbH hereby acknowledges and agrees that at the time of execution of this assignment, it has good and full right and lawful authority to execute this assignment and to convey the above-indicated rights to Constantia Teich GmbH, its successors and assigns.

Further, Constantia Flexibles International GmbH agrees that it will communicate to Constantia Teich GmbH, or its representatives, any facts known regarding the subject matter of the design patent applications listed in the Schedule, all inventions disclosed therein, and the history thereof, and testify in any legal proceedings, sign all lawful papers, execute all related U.S. and foreign patent applications, execute all lawful documents and any assignment papers to effectuate the purpose of this assignment, make all rightful oaths, and generally do everything possible to aid Constantia Teich GmbH, and its successors and assigns, to obtain and enforce proper protection for the designs in the United States, its territories, and in any and all foreign countries.
