WORLDWIDE ASSIGNMENT OF PATENTS, PATENT APPLICATIONS,
AND INVENTIONS

WHEREAS, **Nuvo Research Inc.**, a corporation amalgamated under the laws of Ontario, Canada, with its principal place of business located at 7560 Airport Road, Unit 10, Mississauga, Ontario, Canada L4T 4H4, (hereinafter referred to as "Nuvo") is the owner of the inventions and patents and patent applications therefor, identified in Schedule "A" attached hereto;

WHEREAS, **Crescita Therapeutics Inc.**, a corporation organized and existing under the laws of Ontario, Canada, with its principal place of business located at 7560 Airport Road, Unit 10, Mississauga, Ontario, Canada L4T 4H4 (hereinafter referred to as "Crescita") is desirous of acquiring the whole right, title and interest in and to the said patents and said patent applications, and the invention or inventions described therein, and in and to any patents or registrations that may be obtained therefor in all other countries and jurisdictions of the world;

NOW, THEREFORE, Be It Known, that in consideration of \$1.00 (One Canadian dollar) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the undersigned, Nuvo hereby sells, assigns and transfers to said Crescita, all its right, title and interest, in all countries and jurisdictions throughout the world, in and to said applications, patents, registrations, and the invention or inventions and industrial design or industrial designs described, disclosed and claimed therein, and in and to all applications therefor, including any divisional or continuation applications, whether presently pending or filed in the future, and registrations therefor, including its corresponding right to claim priority in any country or jurisdiction, including all its corresponding right, title and interest in and to any

patents and registrations which may issue therefrom, including all reissues, renewals and extensions thereof, and including all right to sue for past infringement thereunder, all the said patents and registrations to be held and enjoyed by the said Crescita to the full end of the term for which the said patents and registrations are granted, as fully and entirely as the said patents and registrations could have been held and enjoyed by the said Nuvo if this assignment had not been made;

And Nuvo hereby covenants and agrees to execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions, designs, applications, registrations and patents in said Crescita, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything as is deemed reasonably necessary to aid Crescita, its successors and assigns, to obtain and enforce proper protection for these inventions, applications, registrations and patents in all countries and jurisdictions throughout the world, it being understood that any incidental expense associated with these activities shall be borne by Crescita, its successors and assigns.

The Patent Offices in all countries and jurisdictions are hereby authorized and requested that all the interest of Nuvo to any and all patent applications, Letters Patent or other registrations for said inventions and designs be issued to said Crescita, its successors, assigns and legal representatives, or to such nominees as it may designate in accordance with this agreement;

And Nuvo hereby covenants that it has the full right to convey the interest assigned by this assignment, and has not executed and will not execute any agreement in conflict with this assignment.

Signed at Mississauga, Ontario this 1st day of March, 2016.
