ASSIGNMENT

Whereas, I, Jeffry R. Frahm of Frankenmuth, MI hereinafter called assignor(s), have invented certain improvements in:

BRAKE RELEASE HANDLE

and executed an application for Letters Patent of the United States of America therefor; and

Whereas, AMIGO MOBILITY INTERNATIONAL, INC., hereinafter called assignee, desires to acquire the entire right, title, and interest in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged, I, the above named assignor, hereby sell, assign and transfer to the above named assignee, its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein for the United States of America, including all divisions, and continuations thereof, and all Letters Patent of the United States that may be granted thereon, and all reissues thereof, and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, including the right to claim priority under 35 U.S.C. §119 and the right to sue for past damages, and I request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and I hereby agree that the assignee may apply for foreign Letters Patent on the invention and I will execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee.

I hereby authorize and request the law firm Rivenoak Law Group, P.C., USPTO Customer No. 107,566, to insert here in parentheses (Application number 29/532,132 and Confirmation number 5045, filed 1 July 2015) the application number, confirmation number and filing date of said application when known.
