ASSIGNMENT

WHEREAS, we, W. Scott Anderson, Jr., Tom Little, James Rycek, and Mike Graham, have made certain inventions which are described in an application for Letters Patent of the United States entitled **FLOOD VENT TRIGGER SYSTEMS** executed by us on even date herewith preparatory to obtaining United States Letters Patent therefor, and

WHEREAS, SMART VENT PRODUCTS, INC. (hereinafter referred to as Assignee), a New Jersey corporation, having an address at 430 Andbro Drive, Unit 1, Pitman, NJ, 08071, is desirous of acquiring all of our rights, title and interest in said inventions throughout the world,

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, we hereby sell, assign and transfer unto Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to said inventions, the aforesaid applications, all other applications hereafter filed in the United States or in any other countries, based in whole or in part on said inventions, and all patents granted upon said applications, and we do hereby authorize and request the issuance of said patents to said Assignee. We further grant to Assignee, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid Assignee, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands on the dates indicated with our signatures.
