WHEREAS, the undersigned Inventor, Marina Yurii Fortmann a citizen of the United States of America, and residing at 3014 Forsythe Ct, Peoria, IL 61614, has invented a Hinged Surface Chock Deployment and Stowage Enabling Apparatus and Method for which the undersigned has made application for U.S. Patent(s), as listed in Exhibit A.

NOW, TO ALL WHOM IT MAY CONCERN: Be it known that, pursuant to agreement between the inventor and the following undersigned patent owners:

1. Marina Yurii Fortmann, 3014 Forsythe Ct, Peoria, IL 61614;
2. Gustavo Adolfo Fortmann, 3014 Forsythe Ct, Peoria, IL 61614;

hereinafter referred to as the Assignees, in consideration of five hundred dollars (\$500.00) and for other good and valuable considerations, receipt of which are acknowledged hereby, the undersigned have sold, assigned, transferred and set over, and do hereby sell, assign, transfer, and set over, unto the Assignees, all the right, title and interest which the undersigned has or may have in and to the said invention and application, including the right to file foreign and design patent applications for said invention in the name of the Assignees, and any right of priority, and in and to any and all Letters Patent of the United States and of foreign countries that may be granted for said invention, and any reissue or extension thereof; the same to be held and enjoyed by the Assignees, their successors or assignees, as fully and entirely as the same would have been held and enjoyed by the undersigned had this assignment and transfer not been made.

And the undersigned does hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent, when granted, to the Assignees.

And for the above-named considerations, the undersigned hereby covenants and agrees that they will, at the request of the Assignees, its successors or assigns, execute any and all foreign, divisional, substitute, and continuation applications for said invention and any application for the reissue or extension of any Letters Patent that may be granted upon said application, or for the improvements described therein, that the Assignees, their successors or assigns, may deem necessary or expedient; and do all other and further acts that may be or become necessary to obtain said Letters Patent and any reissue or extension of the same.

And for the above-named considerations, the undersigned Assignees hereby agree that any rights to the invention and any rights allowed by the patents shall only be executed upon unanimous consent and approval of the listed Assignees, and all expenses, royalties and or compensation related to the invention or patents shall be divided on a one-half basis, to each listed assignee.

IN WITNESS WHEREOF, the undersigned has hereunto set their hands and seals on the dates indicated below.
