The holders of the common shares are entitled to vote at all meetings of shareholders, except meetings at which only holders of a specified class of shares are entitled to vote.

2. Dividends

The holders of the common shares are entitled to receive any dividend declared by the Corporation on the common shares. Notwithstanding the foregoing, no dividends shall at any time be declared and paid on or set apart for the common shares if there are reasonable grounds for believing that after said payment, the realizable value of the Corporation's assets would thereby be less than the aggregate of its liabilities and an amount equal to the aggregate redemption price of all the then issued and outstanding Class A preferred shares and Class B preferred shares.

3. Liquidation, Dissolution or Winding-up

Subject to the rights, privileges, restrictions and conditions attaching to any other class of shares of the Corporation, the holders of the common shares are entitled to receive the remaining property of the Corporation upon dissolution, liquidation or winding-up of the Corporation.

4. Purchase for cancellation

The Corporation may at any time and from time to time purchase any issued common shares outstanding from any holder of the same, and such purchase need not be made pro rata from the holders of such shares.

No purchase for cancellation of any common share shall at any time be made if there are reasonable grounds for believing that after payment of the purchase price for said common share, the realizable value of the Corporation's assets would thereby be less than the aggregate of its liabilities and an amount equal to the aggregate redemption price of all the then issued and outstanding Class A preferred shares and Class B preferred shares.

CLASS A PREFERRED SHARES

1. Definitions

With respect to the Class A preferred shares and Class B preferred shares, the following terms shall have the meanings ascribed to them below:

- (a) "**Act**" means the *Business Corporations Act* (Ontario).
- (b) "**Redemption Price**" in respect of each Class A preferred share and Class B preferred share means:

- (i) where such share was issued for money, the amount for which such share was issued; or
- (ii) where such share was issued in whole or in part for a consideration other than money, then the amount in money (if any) paid for the issue of such share, plus an amount equal to the fair market value of such other consideration received; such fair market value shall be calculated as at the date of issue of such share and shall be determined in accordance with recognized standards of valuation.

The Redemption Price shall be reduced by the amount of any return of capital paid to the holder of any Class A preferred share or Class B preferred shares as of the date of such return of capital.

2. Dividends

The holders of the Class A preferred shares, in the discretion of the directors of the Corporation, shall be entitled in any year, out of the profits or surplus available for dividends, to receive non-cumulative dividends in such amount as may be determined by the directors in any year, but not exceeding five percent (5%) per annum of the Redemption Price for such shares, payable on such terms and at such time as the same may be declared by the directors of the Corporation in their discretion, and no more; provided that, in any year, the directors of the Corporation may declare dividends in respect of any other class of shares of the Corporation, in their discretion, without so declaring dividends on the Class A preferred shares and vice versa.

3. No Voting Rights

Subject to the provisions of paragraph 8 hereof, the holders of the Class A preferred shares shall have no right to receive notice of, attend or vote at any meeting of shareholders of the Corporation.

4. Liquidation, Dissolution or Winding-up

In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the holders of the Class A preferred shares shall receive, before any distribution of the assets of the Corporation is made among the holders of the common shares and the Class B preferred shares of the Corporation, an amount equal to the Redemption Price for such shares plus an amount equal to any dividends declared thereon but unpaid. The holders of the Class A preferred shares shall not be entitled to receive any amount other than or in excess of the amount hereinbefore provided for.

5. Redemption at the Option of the Corporation

The Corporation may, upon giving notice as hereinafter provided, redeem, subject to the provisions of the Act, the whole or any part of the Class A preferred shares on payment for each share to be redeemed of an amount equal to the Redemption Price for such share plus all dividends declared on such share but unpaid. In the event that only a part of the Class A preferred shares is at any time to be redeemed, the shares to be redeemed shall be selected by lot,

in such manner as the directors of the Corporation in their discretion shall decide, or, if the directors of the Corporation so determine, such shares may be redeemed pro rata, disregarding fractions. Notice of redemption shall be given by registered letter mailed to the holder of each share to be redeemed at least thirty (30) days before the date fixed for redemption. Such notice shall specify the date and place fixed for redemption and shall be mailed to the address of the holder as it appears at the time of mailing on the register of shareholders kept by the Corporation. If such notice is duly given and an amount sufficient to redeem the shares is deposited with any trust company or chartered bank specified in such notice on or before the date fixed for redemption, dividends on the shares to be redeemed shall cease after the date fixed for redemption and the holders thereof shall thereafter have no rights against the Corporation in respect of such shares except, upon surrender of certificates for such shares, to receive payment out of the monies so deposited.

6. Redemption at the Option of the Holder

Each holder of one (1) or more Class A preferred shares shall have the right, in his discretion and at all times, to demand that the Corporation redeem all or any of the said shares registered in the name of the holder in the books of the Corporation, by presenting to the Corporation, at its registered office, a share certificate representing the Class A preferred shares that the registered holder wishes the Corporation to redeem; the said certificate shall be accompanied by a written request indicating:

- (a) that the registered holder wishes all or part of the Class A preferred shares represented by the said certificate to be redeemed by the Corporation; and
- (b) the date (providing that it is a working day) upon which the registered holder wishes his Class A preferred shares to be redeemed. However, the said date of redemption shall not at any time be fixed at less than thirty (30) days from the date of presentation of the request.

The receipt of the said certificate and the said request shall oblige the Corporation, on the date stipulated in the request, to redeem the said Class A preferred shares by paying to the said registered holder an amount equal to the Redemption Price for such shares plus all dividends declared on such shares but unpaid. Commencing from the date of redemption stipulated in the written request, the holders of the said Class A preferred shares shall not be entitled to exercise any rights attaching thereto, unless the payment is not made by the Corporation on the date of redemption stipulated in the request, in which case the rights of the holders of the shares in question shall not be affected in any manner.

7. Purchase for cancellation

The Corporation shall have the right, at its option, at any time and from time to time, to purchase (if obtainable) for cancellation, subject to the provisions of the Act, the whole or any part of the Class A preferred shares outstanding by invitation for tenders addressed to all holders of record of the Class A preferred shares outstanding, at the lowest price at which, in the opinion of the directors of the Corporation, such shares are obtainable, but not exceeding the Redemption Price for such shares, plus all dividends declared on such shares but unpaid; provided that, if more shares are tendered in response to such invitation than the Corporation is willing or able to

purchase, the shares to be selected for purchase shall be so selected pro rata according to the holdings of the Class A preferred shareholders who tender.

8. Amendments Affecting a Class

Subject to the issuance of a certificate by the Director under the Act, the Corporation may at any time or times or from time to time pass a special resolution or resolutions whereby all or any of the rights, privileges, restrictions and conditions attaching to or affecting the Class A preferred shares may be amended, modified, altered or repealed, or the application thereof suspended in any particular case, but no such special resolution shall be effective or acted upon unless and until it has been sanctioned by the affirmative vote of the holders of not less than two-thirds (2/3) of the Class A preferred shares represented and voted at a meeting duly called for considering the same, in addition to such other classes of shareholders as may be required by the Act.

CLASS B PREFERRED SHARES

1. Dividends

The holders of the Class B preferred shares, in the discretion of the directors of the Corporation, shall be entitled in any year, out of the profits or surplus available for dividends, to receive non-cumulative dividends in such amount as may be determined by the directors in any year, but not exceeding four percent (4%) per annum of the Redemption Price for such shares, payable on such terms and at such time as the same may be declared by the directors of the Corporation in their discretion, and no more; provided that, in any year, the directors of the Corporation may declare dividends in respect of any other class of shares of the Corporation, in their discretion, without so declaring dividends on the Class B preferred shares and vice versa.

2. No Voting Rights

Subject to the provisions of paragraph 6 hereof, the holders of the Class B preferred shares shall have no right to receive notice of, attend or vote at any meeting of shareholders of the Corporation.

3. Liquidation, Dissolution or Winding-up

In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, the Class B preferred shares shall receive, after the holders of the Class A preferred shares, but before any distribution of the assets of the Corporation is made among the holders of the common shares of the Corporation, an amount equal to the Redemption Price for such shares plus an amount equal to any dividends declared thereon but unpaid. The holders of the Class B preferred shares shall not be entitled to receive any amount other than or in excess of the amount hereinbefore provided for.

4. Redemption at the Option of the Corporation

The Corporation may, upon giving notice as hereinafter provided, redeem, subject to the provisions of the Act, the whole or any part of the Class B preferred shares on payment for each share to be redeemed of an amount equal to the Redemption Price for such share plus all dividends declared on such share but unpaid. In the event that only a part of the Class B

preferred shares is at any time to be redeemed, the shares to be redeemed shall be selected by lot, in such manner as the directors of the Corporation in their discretion shall decide, or, if the directors of the Corporation so determine, such shares may be redeemed pro rata, disregarding fractions. Notice of redemption shall be given by registered letter mailed to the holder of each share to be redeemed at least thirty (30) days before the date fixed for redemption. Such notice shall specify the date and place fixed for redemption and shall be mailed to the address of the holder as it appears at the time of mailing on the register of shareholders kept by the Corporation. If such notice is duly given and an amount sufficient to redeem the shares is deposited with any trust company or chartered bank specified in such notice on or before the date fixed for redemption, dividends on the shares to be redeemed shall cease after the date fixed for redemption and the holders thereof shall thereafter have no rights against the Corporation in respect of such shares except, upon surrender of certificates for such shares, to receive payment out of the monies so deposited.

5. Redemption at the Option of the Holder

Each holder of one (1) or more Class B preferred shares shall have the right, in his discretion and at all times, to demand that the Corporation redeem all or any of the said shares registered in the name of the holder in the books of the Corporation, by presenting to the Corporation, at its registered office, a share certificate representing the Class B preferred shares that the registered holder wishes the Corporation to redeem; the said certificate shall be accompanied by a written request indicating:

- (a) that the registered holder wishes all or part of the Class B preferred shares represented by the said certificate to be redeemed by the Corporation; and
- (b) the date (providing that it is a working day) upon which the registered holder wishes his Class B preferred shares to be redeemed. However, the said date of redemption shall not at any time be fixed at less than thirty (30) days from the date of presentation of the request.

The receipt of the said certificate and the said request shall oblige the Corporation, on the date stipulated in the request, to redeem the said Class B preferred shares by paying to the said registered holder an amount equal to the Redemption Price for such shares plus all dividends declared on such shares but unpaid. Commencing from the date of redemption stipulated in the written request, the holders of the said Class B shares shall not be entitled to exercise any rights attaching thereto, unless the payment is not made by the Corporation on the date of redemption stipulated in the request, in which case the rights of the holders of the shares in question shall not be affected in any manner.

6. Amendments Affecting a Class

Subject to the issuance of a certificate by the Director under the Act, the Corporation may at any time or times or from time to time pass a special resolution or resolutions whereby all or any of the rights, privileges, restrictions and conditions attaching to or affecting the Class B preferred shares may be amended, modified, altered or repealed, or the application thereof suspended in any particular case, but no such special resolution shall be effective or acted upon unless and until it has been sanctioned by the affirmative vote of the holders of not less than two-thirds (2/3)

of the Class B preferred shares represented and voted at a meeting duly called for considering the same, in addition to such other vote of other classes of shareholders as may be required by the Act.

9. The issue, transfer or ownership of shares is/is not restricted and the restrictions (if any) are as follows:
