ASSIGNMENT

WHEREAS, we, **Weidong Liu** of Boulder, Colorado, citizen of China; **Peter J. Stengel** of Irving, Texas, citizen of United States of America; and **Paul Nichols** of Watkinsville, Georgia, citizen of United States of America have invented a certain new and useful invention entitled:

PREPARATION OF AND FORMULATION COMPRISING A MEK INHIBITOR

U.S. Serial No.: 14/057,498, filed October 18, 2013

for which we are about to make or have made application for Letters Patent of the United States; and

WHEREAS, **Array BioPharma Inc.**, a corporation duly organized under the laws of the United States of America and having its principal place of business at 3200 Walnut Street, Boulder, Colorado 80301, United States of America, is desirous of acquiring all rights, title and interests in and to said invention, said application(s), and in and to any and all Letters Patent which may be granted for or upon said invention and application(s) in the United States of America and anywhere in the world.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, we, **Weidong Liu**, **Peter J. Stengel**, and **Paul Nichols**, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto said **Array BioPharma Inc.**, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application(s);

(c) any and all refilings, divisions, continuations and continuations-in-part of said application(s);

(d) any and all Letters Patent of the United States of America which may issue from said application(s), refilings, divisions, continuations and continuations-in-part;

(e) any and all reissues and reexaminations of said Letters Patent of the United States of America;

(f) any and all application(s) for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;

(g) any and all refilings, divisions and continuations of said foreign-filed application(s);

(h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed application(s), refilings, divisions and continuations; and

(i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

We, **Weidong Liu, Peter J. Stengel, and Paul Nichols** further agree that upon request we will provide promptly all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to **Array BioPharma Inc.** or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application(s), said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

All of the above shall be held and enjoyed by said **Array BioPharma Inc.** for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.

This assignment to have effect as of the filing date of October 18, 2013.
