Attorney Docket No. 04658.0009US01

### ASSIGNMENT

WHEREAS, Aspire Ventures, LLC ("Assignor"), a limited liability company organized and existing under and by virtue of the laws of the State of Pennsylvania and having an office and place of business at 100 North Queen Street, Suite 300, Lancaster, Pennsylvania 17603 is the current assignee of a patent Application, U.S. Patent Application No. 14/448,234, filed July 31, 2016.

AND WHEREAS, Wylei, Inc. ("Assignee"), a limited liability company organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 100 North Queen Street, Suite 300, Lancaster, Pennsylvania 17603 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and Application and in and to the Letters Patents to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, Assignor has sold, assigned, and transferred, and by these presents does sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid Application, and in and to the Application, all divisions, continuations, or renewals thereof, all Letters Patents which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patents on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patents of foreign countries which may be granted therefrom; and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patents for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, Assignor does hereby agree that Assignor and its executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to Assignor relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its

successors or assigns the entire right, title and interest in and to the improvements, inventions, the Application, Letters Patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.
