ASSIGNMENT

WHEREAS, Pharmalink AB, having an address of Engelbrekts Kyrkogata 7B, SE-114 26 Stockholm, Sweden, an entity duly organized and existing under the laws of Sweden, is the owner of the entire right, title and interest in, to and under (1) U.S. Provisional Patent Application Serial No. 61/945,491 filed February 27, 2014 entitled "Hyaluronan Conjugates with Pharmaceutically Active Substances", and (2) PCT Patent Application No. PCT/IB2015/051331 filed February 21, 2015 entitled "Hyaluronan Conjugates with Pharmaceutically Active Substances, Methods and Compositions", and the inventions disclosed in said applications; and

WHEREAS, Synartro AB, having an address of Murargatan 20A, SE-754 37 Uppsala, Sweden, an entity duly organized and existing under the laws of Sweden (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in, to and under said applications and the inventions disclosed in said applications.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said ASSIGNOR, hereby sells, assigns, and transfers and sets over, unto said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said United States application and all nonprovisionals, divisions, renewals, and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and said PCT application and all national stage applications thereof, and all Patents which may be granted thereon and all extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for the inventions described therein, in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application and/or said PCT application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said inventions in any country or countries and all extensions thereof.

ASSIGNOR hereby authorizes and requests the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNOR hereby grants the firm of Porter, Wright, Morris & Arthur LLP the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

ASSIGNOR hereby covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

ASSIGNOR hereby further covenants and agrees that it will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to it respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination and foreign applications, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
