ASSIGNMENT

WHEREAS, we, **Katherine A. Cherney** of Glendale, Wisconsin, and **Andrew N. Enger** of Muskego, Wisconsin, have made certain inventions which are described in Design Patent Application No. 29/575,460, filed August 25, 2016, for Letters Patent of the United States entitled VALVE LOCKOUT, executed by us preparatory to obtaining United States Letters Patent therefore, and

WHEREAS, **Brady Worldwide, Inc.** (hereinafter referred to as said Company), a Wisconsin corporation, having a place of business at 2221 West Camden Road, Milwaukee, Wisconsin 53209, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, all prior, related United States provisional applications, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States or any other country, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hand on the dates indicated with our signatures,

Date: 8/25/16
