ASSIGNMENT

SUPERIOR SOLUTIONS MFG., INC., a California corporation, having a principal place of business at 1700 El Camino Real, Atascadero, California, 93422, United States ("Assignor"), for good and valuable consideration, receipt of which is hereby acknowledged, has assigned and does hereby assign and sell, which confirms any previous assignment by Assignor or by operation of law, to LIFTMASTERS, LLC, a Delaware limited liability company, having its principal place of business at 2322 Harts Bluff Road, Mt. Pleasant, Texas, 75455, United States ("Assignee"), its successors, assigns, and legal representatives, the entire right, title, and interest, in and to all subject matter and improvements invented, made, or conceived by Assignor and described in the application for patent entitled

RECEIVER-MOUNTED LIFT GATE

having Application Number 14/919,584, filed October 21, 2015, and in and to all patent and all patent convention and treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any utility model, continuation, continuation-in-part, and divisional application therefrom, and any reissue or re-examination as to any patent issuing therefrom, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements.

Assignor agrees that on request and without further consideration, Assignor will communicate to the Assignee or its representatives or nominees any facts known to respecting the inventions and improvements and testify in any legal proceeding, make all rightful oaths, sign all lawful papers, and execute all instruments or documents required or requested for the making and prosecution of any applications of any type

for patent, utility model, or other similar rights in all countries including, but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, *inter partes* review, or extension thereof, and generally do everything possible to aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and its improvements in all countries.
