PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, JOHN C. MARCIN and ROBERT HENRI SCHENKKAN ("Assignors") have assigned and transferred and do hereby assign and transfer to ROJO SPORT, INC. ("Assignee"), the entire right, title, and interest in and to the following identified Applications for Letters Patent ("Application") of the United States:

<u>Application Number</u>	<u>Title</u>	<u>Filing Date / Receipt Date</u>
14229993	Sports Training Device	March 31, 2014
14838625	Sports Training Device	August 28, 2015

and in all inventions set forth and described therein, together with all rights of priority resulting from the filing of the Application and the issuance of the Letters Patent in the United States, as well as any foreign patents issuing from any application filed that corresponds to claims contained in the foregoing application, and the right to sue in its own name and to recover for infringement.

Assignors hereby covenant, warrant, and represent to Assignee that (i) Assignors are the sole owners of and have the exclusive right to use the Application, free and clear of any liens, encumbrances, licenses, or claims of any nature, and have made no agreement with respect to the Application that is in conflict with this Assignment, and (ii) except as described above, no other registration has been effected or is on file with the appropriate governmental agencies with respect to the Application.

Assignors agree, for themselves and their successors and assigns, that on request and without further consideration, but at the expense of Assignee, Assignor shall communicate to Assignee or its designated representatives or nominees any facts known to Assignor respecting the Application and inventions set forth therein, and shall testify in any legal proceeding, sign all lawful documents, execute all divisional declarations, and generally do everything possible to aid Assignee, its successors, assigns, and nominees to obtain, maintain, and enforce patent protection in all countries for the inventions set forth in the Application and in all foreign counterparts thereof.
