ASSIGNMENT OF PROPERTY

Whereas, Adam Kislevitz ("Kislevitz") is an owner of the concept for a toy line commonly referenced as "Cardies" (the "Product").

Whereas, Kislevitz wishes to assign all of Kislevitz's rights, title, and interest in and to the Product to The Shank, LLC, a New Jersey limited liability company ("Entity").

Whereas, Kislevitz's assignment to Entity includes the irrevocable assignment of U.S. Serial Number ("USSN") 14/487,054: CARD-LIKE STRUCTURE AND CONNECTOR TOYS FOR BUILDING filed on September 15, 2014, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications (collectively the "Intellectual Property").

Now, therefore, effective as of September 14, 2014, for valid consideration, receipt of which is hereby acknowledged, Kislevitz hereby irrevocably sells, assigns, and transfers unto Entity all of Kislevitz's rights, title, and interest in and to the Product, including, without limitation, the Intellectual Property. I authorize the above-named assignee to apply for patents of foreign countries for said Intellectual Property, and to claim all rights of priority without further authorization from us. I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request the Commissioner of Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Dated: August 1, 2016

Adam Kislevitz
