PATENT ASSIGNMENT

KMQ, INC., with a place of business at 279 Faison McGowan Road, Unit 2, Kenansville, North Carolina 28349, hereinafter referred to as the **ASSIGNOR**, is the owner of the entire right, title and interest in and to the Patent Applications listed in the attached **Annex A**, the inventions covered thereby, and worldwide priority rights claimed therein or corresponding thereto, including any and all renewals, reissues, continuations, divisions and prolongations thereof, and including the right to sue under said Patents for infringement occurring herebefore and to recover and retain any damages or profits as a result therewith and

NEOGEN CORPORATION with a place of business at 620 Leshner Place, Lansing, MI 48912, hereafter referred to as **ASSIGNEE**, is desirous of acquiring the entire right, title and interest in and to said Patent Applications listed in the attached **Annex A**, the inventions covered thereby, and worldwide priority rights claimed therein or corresponding thereto, including any and all renewals, reissues, continuations, divisions and prolongations thereof, and including the right to sue under said Patents for infringement occurring herebefore and to recover and retain any damages or profits as a result therewith;

NOW, THIS WITNESSETH that for good and valuable consideration, the receipt whereof is hereby acknowledged, **ASSIGNOR** hereby assigns, sells and transfers to **ASSIGNEE**, its assigns and legal representatives, the entire and exclusive worldwide right, title and interest in and to said Patent Applications listed in the attached **Annex A**, the inventions covered thereby, Letters Patent granted therefrom, and worldwide priority rights claimed therein or corresponding thereto, including any and all renewals, reissues, continuations, divisions and prolongations thereof, and including the right to sue under said Patents for infringement occurring herebefore and to recover and retain any damages or profits as a result therewith. **ASSIGNEE** and its assigns and legal representatives shall have, hold, exercise, and enjoy said inventions and said Patent Applications, including any and all Letters Patent which may be granted upon the Patent Applications or upon patent applications filed in any and all countries in the world, including the United States, claiming priority from the Patent Applications and all renewals, reissues, continuations, continuations-in-part, divisions and prolongations thereof and applications, with all the rights, powers, privileges, and advantages in any way arising from or pertaining thereto, for and during the term or terms of said Letters Patent and any future patents issuing from said Patent Applications, including any and all renewals, reissues, continuations, divisions and prolongations thereof, for the use and benefit of **ASSIGNEE** and its assigns and legal representatives, in as ample and beneficial a manner to all intents and purposes as the **ASSIGNOR** might or could have held and enjoyed the same, if the assignment had not been made.

ASSIGNOR hereby agrees to execute, and direct its representatives to execute, any and all

further papers which the ASSIGNEE may consider necessary or desirable to vest or perfect the title of the ASSIGNEE and its assigns or legal representatives in and to said inventions and discoveries, or for maintaining, enforcing or defending same, and in and to any and all Letters Patent or reissues thereof which may be granted upon applications in any and all countries in the world.

ASSIGNOR hereby authorizes and requests any official whose duty it is to issue patents to issue each and every Letters Patent to be granted upon the aforesaid Patent Applications in any and all countries, and each every reissue of said Letters Patent, to the ASSIGNEE, its successors and assigns, as the assignee of ASSIGNOR'S entire right, title and interest therein, in accordance with this assignment.
