THIS ASSIGNMENT, made by Elizabeth M. Bacon; Jeromy J. Cottell; Ashley Anne Katana; Darryl Kato; Evan S. Krygowski; John O. Link; James Taylor; Chinh Viet Tran; Teresa Alejandra Trejo Martin; Zheng-Yu Yang; and Sheila Zipfel (hereinafter referred to as Assignors), residing at 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 2231 California Street, #507, Washington, D.C. 20008; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 10790 Dabney Drive Apt 2, San Diego, CA 92126; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; and 333 Lakeside Drive, Foster City, California 94404, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in ANTIVIRAL COMPOUNDS, set forth in a Patent application for Letters Patent of the United States, already filed on November 16, 2012 as U.S. Application No. 13/679,862; and

WHEREAS, Gilead Sciences, Inc., a Corporation organized under and pursuant to the laws of Delaware having its principal place of business at 333 Lakeside Drive, Foster City, California 94404 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, to all whom it may concern, be it known that for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations, continuations-in-part, and continuing applications of said

application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made by Elizabeth M. Bacon; Jeromy J. Cottell; Ashley Anne Katana; Darryl Kato; Evan S. Krygowski; John O. Link; James Taylor; Chinh Viet Tran; Teresa Alejandra Trejo Martin; Zheng-Yu Yang; and Sheila Zipfel (hereinafter referred to as Assignors), residing at 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 2231 California Street, #507, Washington, D.C. 20008; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; 10790 Dabney Drive Apt 2, San Diego, CA 92126; 333 Lakeside Drive, Foster City, California 94404; 333 Lakeside Drive, Foster City, California 94404; and 333 Lakeside Drive, Foster City, California 94404, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in ANTIVIRAL COMPOUNDS, set forth in a Patent application for Letters Patent of the United States, already filed on November 16, 2012 as U.S. Application No. 13/679,862; and

WHEREAS, Gilead Sciences, Inc., a Corporation organized under and pursuant to the laws of Delaware having its principal place of business at 333 Lakeside Drive, Foster City, California 94404 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, to all whom it may concern, be it known that for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations, continuations-in-part, and continuing applications of said

application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.
