PATENT

ASSIGNMENT

WHEREAS, we, Kevin C. Voges of 11105 Obst Road, Red Bud, Illinois 62278, Alan R. Mueth of 6707 State Route 154, Red Bud, Illinois 62278, and Christopher Craig of 1185 Franke Drive, Columbia, IL 62236, have invented certain new and useful improvements for a WIDTH AND SPEED CONTROL FOR SHEET METAL DESCALER AND METHODS OF USING SAME for which we executed an application for Letters Patent in the United States identifying us as the only inventors thereof (said application being identified as Thompson Coburn LLP, Docket 66632-157440); and

WHEREAS, The Material Works, Ltd., a corporation of the State of Delaware having its principal office and place of business at 101 South Main Street, Red Bud, IL 62278, is desirous of acquiring the entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, we, Kevin C. Voges, Alan R. Mueth and Christopher Craig have sold, assigned and transferred and do hereby sell, assign and transfer unto said The Material Works, Ltd., its successors or assigns, the entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by us in and to said application, and in and to any Letters Patent, including divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said The Material Works, Ltd. in accordance with this Assignment.

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event

of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agree to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 25th day of August, 2016.
