ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made this 1 day of July, 2016, by Michael C. Boyd and Bowden Omsbee (hereinafter referred to as "**Assignors**"), residing at 4853 Gibbs Avenue, Boulder, Colorado 80301 and 7018 Lake View Point Drive, Longmont, Colorado 80503, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in a **CASE FOR AN ELECTRONIC DEVICE**, set forth in a design application for Letters Patent of the United States as United States Patent Application No. 29/550,462, already filed on January 4, 2016 (the "Patent");

WHEREAS, Nite Ize, Inc., a Colorado corporation organized under and pursuant to the laws of United States of America having its principal place of business at 5660 Central Avenue, Boulder, Colorado, 80301 (hereinafter referred to as "**Assignee**"), is desirous of acquiring the entire right, title and interest in and to said Patent, and any continuation, divisional, provisional, renewal, substitute, reissue or re-examination thereof in the United States and its territories and possessions and corresponding world-wide foreign patent rights, in all foreign countries, including any foreign patents and all rights to claim priority;

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned Patent, any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said Patent, and that the same is unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all

papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Patent and any applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, said Patents, or said design application for Letters Patent, or any proceeding in connection with any Patent, Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

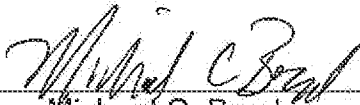

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said United States Patent of the United States to Assignee, as Assignee of said inventions, Patent and any Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

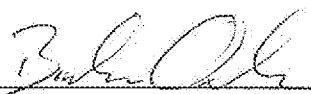

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

HAYNES AND BOONE LLP

All practitioners at Customer Number 27683

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made this 29 day of August, 2016, by Gregory M. Adelman (hereinafter referred to as Assignor), residing at 1502 Upland Avenue, Boulder, Colorado 80304;

WHEREAS, Assignor has invented certain new and useful improvements in a **CASE FOR AN ELECTRONIC DEVICE**, set forth in a Design application for Letters Patent of the United States, already filed on January 4, 2016, as U.S. Application No. 29/550,462; and

WHEREAS, Nite Ize, Inc., a Corporation organized under and pursuant to the laws of United States of America having its principal place of business at 5660 Central Avenue, Boulder, Colorado 80301 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all related United States provisional patent applications, any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that has arisen to Assignee under law or that has

already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said Design application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

HAYNES AND BOONE, LLP

All practitioners at Customer Number 27683

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.
