ASSIGNMENT

Whereas, Praxair Technology, Inc. a Delaware Corporation of 39 Old Ridgebury Road, Danbury, CT 06810-5110, United States of America, hereinafter referred to as "Assignor", is an owner jointly with others of the right, title, share and interest in United States Patent No. 8,198,570, issued on June 12, 2012, hereinafter referred to as the "United States Patent".

Whereas, Magnetic Solutions (Holdings) Limited, an Irish company of Unit J, Furry Park Industrial Estate, Santry, Dublin 9, Ireland, hereinafter referred to as "Assignee" desires to acquire the right, title, share and interest of Assignor in the United States Patent together with the right of Assignor in the invention the subject of the United States Patent.

Now, therefore, for valuable consideration, receipt of which is hereby acknowledged.

Assignor hereby sells, assigns and transfers to the above-named Assignee, its successors and assigns, the right, title, share and interest of Assignor in the United States Patent together with the invention the subject of the United States Patent, including the right to sue for past infringement as well as rights under the International Convention of Paris (1883) as amended, and Assignor requests the Commissioner of Patents to record Magnetic Solutions (Holdings) Limited as the proprietor of the share of Assignor of the United States Patent; and Assignor hereby agrees that Assignor will execute without further consideration all papers deemed necessary by the Assignee in connection with the United States Patent when called upon to do so by the Assignee.
