ASSIGNMENT

Whereas, iMatte, Inc., a California corporation having a principal place of business in Chatsworth, California (hereinafter "Assignor"), according to the records of the United States Patent and Trademark Office, and, where applicable, the Patent Offices of various other countries, is the sole and exclusive owner of the entire right, title and interest in and to the US patents and foreign patents identified in Exhibit I attached hereto and incorporated herein by this reference (hereinafter, the "Patents");

Whereas, Ultimatte Corporation, a California corporation, having a principal place of business at 20945 Plummer Street, Chatsworth, California (hereinafter "Assignee") desires to acquire the entire right, title and interest in and to said Patents, and the inventions therein described, from the Assignor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, transfer and set over to Assignee, the entire right, title and interest in and to said Patents within the United States of America and its territorial possessions, and the specified countries in Exhibit I, and in and to any and all divisionals, reissues, substitutions, continuations and continuations-in-part thereof and in and to any letters patent that may be granted thereon, together with the right to extend the protection of such Patents to the various territorial possessions now owned or which may be hereafter acquired by the United States of America and all foreign countries, and the right to sue for damages for all infringements thereof, all said rights to be held and enjoyed by Assignee, for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the end of the full term of said Patents, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment transfer and sale had not been made. Assignor further agrees to execute any further documents required to perfect this assignment without further compensation, but at the expense of Assignee.
