**PATENT ASSIGNMENT**

This PATENT ASSIGNMENT AGREEMENT (the "Agreement") is entered into this \_\_\_\_ day of \_\_\_\_\_, 2016 (the "Effective Date") by and between **The King of Shaves Company Limited** a company registered in England under company registration number 06516049 whose registered office is at 10 Penn Road, Beaconsfield, Buckinghamshire, HP9 2LH, United Kingdom (the "Assignor") and **Société BIC**, a corporation incorporated under the laws of France under company registration number 552 008 443 (Nanterre Register) whose principal office is at 14 rue Jeanne d'Asnières, 92110 Clichy, France (the "Assignee").

WHEREAS, Assignor owns the entire right, title and interest in the United States of America's Application No. 13/637,667 ("Application") filed September 27, 2012, which is titled "Razors And Razor Blade Cartridges and Methods of Manufacturing Therefore"; and

WHEREAS, Assignor desires to assign and convey all of its rights in any domestic and foreign patents and patent applications, including without limitation to Assignee, and Assignee wishes to acquire all of Assignor's rights in the Application, and to clarify the chain of title in the Application in the name of Assignee.

NOW THEREFORE, the parties agree as follows:

1. Assignor, in consideration of payment by Assignee of good and valuable consideration, receipt of which Assignor hereby acknowledges, sells, transfers, assigns, conveys, and delivers to Assignee, irrevocably and forever, all of its worldwide rights, title, and interest in, to, the Application, including, without limitation, all of Assignor's rights to any related national stage applications, additions, divisions, continuations, continuations-in-part, substitutions, reissues, reexaminations, extensions, registrations, patent term extensions, supplementary protection certificates and counterparts and renewals of such Application and together with all of Assignor's rights to income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all of Assignor's rights to sue and recover damages for any past, present or future infringements or other unauthorized use of the Application, the same to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made.

2 Assignor covenants and warrants that as of the Effective Date, it is the true and lawful owner of the entire right, title, and interest in the Application and has the full right and power to convey the same; that the same are free and clear of all liens, charges and encumbrances whatsoever; and that Assignor has not executed any assignment, license or other agreement in conflict with this Agreement.

3. Assignor agrees that it will perform such additional acts, including execution and delivery of documents, as Assignee may reasonably require in order to enable Assignee to obtain full and complete title to the Application.

4. Assignor hereby appoints Assignee to file and record this instrument with the United States Patent and Trademark Office, such filing to be as effective as if filed by Assignor.

IN WITNESS WHEREOF, this Agreement is executed below by each party to be effective as of the Effective Date stated above.
