ASSIGNMENT

WHEREAS, I, George Frey, having an address of 2 Sunrise Drive, Englewood, Colorado 80113, am a named inventor on patent applications as identified on Schedule A hereto ("the Patent Applications");

Be it known that I, the above identified inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the ASSIGNEE do hereby sell, assign, and transfer unto said ASSIGNEE, Mighty Oak Medical, Inc., a Colorado corporation having a postal address of 750 W. Hampden Avenue, Suite 120, Englewood, Colorado 80110 ("ASSIGNEE"), its successors, legal representatives, and assigns any and all right, title, or interest I may have in the aforesaid Patent Applications and the subject matter and invention(s) described therein for: (i) the territory of the United States of America, and all non-provisional, continuation, divisional, continuation-in-part, and reissue applications associated therewith; (ii) all foreign countries, including all patent applications filed therein corresponding to the Patent Applications and/or including the subject matter and invention(s) described therein; (iii) all applications pursuant to the Patent Cooperation Treaty; (iv) all applications for extension filed or to be filed for the invention(s); (v) all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues for any of the foregoing; (vi) all rights to collect past damages for infringement of any and all Patents of the United States or foreign country which may be published, which may grant or have granted, or be lodged in relation thereto; and, (vii) all other patent rights for the invention(s) in the United States or any other country;

I warrant that I have made no assignment of the invention(s), Patent Applications, or patent therefor to a party other than ASSIGNEE and I am under no obligation to make any assignment of the invention, Patent Applications, or patent therefor to any other party;

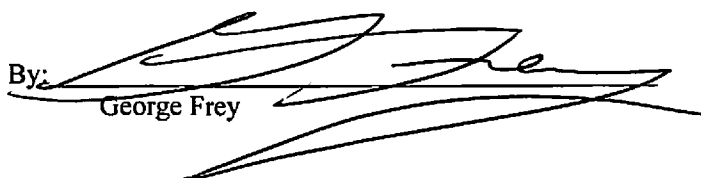

I further agree, upon request of ASSIGNEE, its successors, assigns or legal representatives, and without further remuneration, to execute an inventor's oath or declaration reasonably needed by ASSIGNEE, its successors, assigns and legal representatives, for the filing and granting of the Patent Applications and patents assigned hereunder; and, at the expense of the ASSIGNEE, to cooperate with the ASSIGNEE in the obtaining and sustaining of any and all such Letters Patent(s) and in confirming ASSIGNEE's exclusive ownership of the invention(s) and any patents issuing thereon;

To the best of my knowledge, all information provided by me in the Patent Applications and/or to ASSIGNEE in connection with the Patent Applications was truthful and accurate.

The Commissioner of Patents is hereby authorized and requested to issue Letters Patents related to either of the Patent Applications solely in accordance with the terms of this Assignment, to ASSIGNEE, its successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, I have executed this Assignment as of the date indicated hereunder.
