(*) Attributed by Cerved: it corresponds to the main activity of the whole enterprise; in assigning an activity, CERVED analyses the activities of the office and of the local units and verifies their consistency.

(**) The wording "Group" has no juridical value since it is used for practical issues for an immediate interpretation of the information. Accordingly, the same wording could be used in this document even in absence of a direction or coordination from a controlling subject (holding company also "personal" or group leader) with reference to other companies.
