ASSIGNMENT

I, Darrell A. Moreau of 24 Glenn Bloom Drive, Manchester, NH 03109, in consideration of One Dollar and other valuable consideration paid to me by Ty-Flot, Inc., a corporation of New Hampshire, having its principal place of business at 305 Massabesic Street, Manchester, NH 03103, the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said Ty-Flot, Inc., its successors and assigns, the entire right, title, and interest for the United States of America and all foreign countries in an invention for a METHOD OF TETHERING A TOOL described in a utility patent application executed by me and filed in the United States Patent Office as Application Serial No. 15/258,602 on September 7, 2016, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue or other applications based in whole or in part thereon, including domestic and foreign priority rights arising from the foregoing application. And I agree, for me and my executors and administrators, with said corporation and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said corporation, with specifications and claims in such form as shall be approved by the counsel of said corporation and to vest and confirm in said corporation, its successors and assigns, the legal title to all such patents.

And I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said corporation, its successors and assigns.

The undersigned hereby authorize the firm of Mesmer & Deleault, PLLC, 41 Brook Street, Manchester, NH 03104, to correct clerical errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recording in a domestic or foreign Patent Office.

WITNESS my hand and seal this 7th day of September, 2016.
