## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** is entered into as of September 7, 2016 by and between **WF FUND V LIMITED PARTNERSHIP (c/o/b as WELLINGTON FINANCIAL LP and WELLINGTON FINANCIAL FUND V)**, a Canadian limited partnership (“**Lender**”) and **UNIFIED ENTERPRISES CORP.**, a Delaware corporation (“**Enterprises**”) and each of the other grantors set forth on Schedule 1 hereto (together with Enterprises, collectively “**Grantors**”, and each, a “**Grantor**”).

### RECITALS

Lender has agreed to make certain advances of money and to extend certain financial accommodations (the “Loans”) to Grantors in the amounts and manner set forth in that certain Loan and Security Agreement by and between Lender and Grantors dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the “Loan Agreement”); capitalized terms used herein and not otherwise defined are used as defined in the Loan Agreement). Lender is willing to make the Loans to Grantors, but only upon the condition, among others, that each Grantor shall grant to Lender a security interest in certain Intellectual Property to secure the obligations of such Grantor under the Loan Agreement.

**B.** Pursuant to the terms of the Loan Agreement, each Grantor has granted to Lender a security interest in all of such Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement and all other agreements now existing or hereafter arising between Grantors and Lender, each Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure Grantors’ obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Grantors and Lender, each Grantor grants and pledges to Lender a security interest in all of such Grantor’s right, title and interest in, to and under its Intellectual Property (including without limitation those copyrights, patents and trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Lender under the Loan Agreement. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Financing Documents, and those which are now or hereafter available to Lender as a matter of law or equity. Each right, power and remedy of Lender provided for herein or in the Loan Agreement or any of the Financing Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Lender of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Financing Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Lender, of any or all other rights, powers or remedies.

Each Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which such Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement shall be exclusively (without regard to any rules or principles relating to conflicts of laws) governed by, enforced and construed in accordance with the laws of the state of California and the federal laws of the United States applicable therein. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

[Signature page follows.]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
