ASSIGNMENT

WHEREAS WE, Christopher MULLEN of 612 San Benito Ave., Menlo Park, CA 94025;
Chad R. WEISBROD of 4360 Haines Ave., San Jose, CA 95136; and John E. P. SYKA of
2972 BeauMont Farm Road, Charlottesville, VA 22901, have invented certain new and
 useful improvements, entitled **METHODS OF PERFORMING ION-ION REACTIONS**
IN MASS SPECTROMETRY for which invention we have executed an application for
 Letters Patent in the United States that was filed on 6/21/16 with the U.S. Patent and
 Trademark Office as Serial No. 15/188,955 which discloses and identifies the invention.

Whereas, THERMO FINNIGAN LLC, a limited liability company formed in the State of
 Delaware, having a place of business at 355 River Oaks Parkway, San Jose, California
 95134, (hereinafter referred to as assignee) is desirous of acquiring the entire right, title, and
 interest in and to said invention, said application and the Letters Patent to be obtained
 therefor;

Now, therefore, for good and valuable consideration, the receipt and sufficiency whereof are
 hereby acknowledged, we hereby sell, assign, and set over unto the assignee and said
 assignee's successors, assigns, and designees, the entire right, title, and interest in and to said
 invention, said application, and the Letters Patent, both foreign and domestic, that may or
 shall issue thereon; and we do hereby authorize and request the Commissioner of Patents to
 issue said Letters Patent to the above-mentioned assignee.

We hereby authorize the above-mentioned assignee or its legal representative to insert in this
 instrument the filing date and serial number of our said application or any other information
 that may be necessary or desirable in order to comply with the rules of the United States
 Patent and Trademark Office for recordation of this document.

Upon said consideration, we convey to said assignee the right to make application in its own
 behalf for protection of said invention in countries foreign to the United States and where
 expedient to claim under the International Convention or other international arrangement for
 any such application the date of said United States application (or other application if any
 there be) in priority to other applications; and we do hereby covenant and agree with the
 said assignee that we will not execute any writing or do any act whatsoever conflicting with
 these presents, and that we will at any time upon request, at the expense of the said assignee,
 execute such additional assignments and other writings and do such additional acts as said
 assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant,
 and render all necessary assistance in making application for and obtaining original,
 divisional, renewal, continuation, continuation-in-part, reissued or extended Letters Patent of
 the United States or of any and all foreign countries on said invention, and in enforcing any
 rights or chose in action accruing as a result of such application or patents, by giving
 testimony in any proceedings or transactions involving such application or patents, and by
 executing preliminary statements and other affidavits, it being understood that the foregoing
 covenant and agreement shall bind, and inure to the benefit of the assigns and legal
 representatives of both parties. We hereby agree that the transfer of rights made by this
 instrument is effective as of the filing date of the application written above.

IN WITNESS WHEREOF, I hereto set my hand and seal on 06/17, 2016.

Christopher MULLEN

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

State of CALIFORNIA :

County of SANTA CLARA :

On June 17, 2016 before me, Carina Frazer, Notary Public, personally appeared Christopher MULLEN who proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument and acknowledged to me that he executed the same in his authorized capacity, and that by his signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of CALIFORNIA that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

Signature: Carina Frazer

My commission expires: Dec. 18, 2016

(Seal)

IN WITNESS WHEREOF, I hereto set my hand and seal on June 20th, 2016.
