## ASSIGNMENT

WHEREAS, I, Neil CAMMISH, a citizen of Great Britain, residing at 14 Blyton Lane, Salford Greater Manchester M7 3BR, Great Britain, ASSIGNOR, am an inventor of one or more inventions disclosed, described and/or claimed in the application referred to as Docket Number 101889.000458 ("the invention"), assigned application number 14/776,266 which is entitled **DISPENSING MECHANISM FOR A MEDICAL DEVICE** ("the subject application"), and which claims priority to Great Britain patent application number 1304578.6 filed March 14, 2013 and U.S. provisional patent application number 61/782,267 filed March 14, 2013 ("the priority application").

AND WHEREAS, NORTON HEALTHCARE LIMITED, ASSIGNEE, having a place of business at Ridings Point, Whistler Drive, Castleford Yorkshire WF10 5HX, Great Britain, is desirous of obtaining my entire right, title, and interest in, to, and under the invention; and wherein Assignee agrees to reimburse all reasonable expenses incurring to Assignor in performing his obligations as set forth in this Assignment.

NOW, THEREFORE, I, the ASSIGNOR, hereby sell, assign, transfer, and set over, unto the ASSIGNEE, its successors, legal representatives, and assigns, my entire right, title, and interest in, to, and under the invention, and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates, and designs that have been filed, and that may hereafter be filed, in any country, that disclose, describe, and/or claim the invention, including, without limitation, the subject application and the priority application, and all extensions, renewals, and reissues of such applications, including all divisions and continuations in whole or in part; all patents granted on such applications in any country, and all extensions, renewals, and reissues of such patents, including all divisions and continuations in whole or in part; the right to file such applications in any country; and the right to claim for such applications in any country the priority rights derived from the priority application and the subject application under the International Convention for the Protection of Industrial Property, the Patent Laws of the United States, any other international agreement or protection, or the domestic laws of any country in which any such application is filed, as may be applicable.

AND I HEREBY covenant and agree that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all disclaimers and all divisional, continuing, reissue, and foreign applications, make all rightful oaths, deliver upon request all papers, documents, affidavits, or other instruments that may be necessary or helpful in the prosecution of any application for industrial property protection describing and/or claiming the invention, and generally do everything possible to aid the ASSIGNEE, its successors, legal
