ASSIGNMENT

This Assignment Agreement is entered into between CNH Industrial Österreich GmbH, a corporation established under the laws of Austria and having a place of business at Straße 32, 4300 St. Valentin "Assignor" and CNH Industrial America LLC, a limited liability corporation duly organized and existing under the laws of the State of Delaware, having a place of business at New Holland, Pennsylvania, USA "Assignee" (each a "party" and collectively the "parties").

WHEREAS, Assignor is the sole owner of the Invention entitled:

**"IMPLEMENT HITCH FOR A TRACTOR"**

set forth in Italian Patent Application No. MO2011A000306 filed 06 November 2013 (hereinafter the "Invention"),

AND

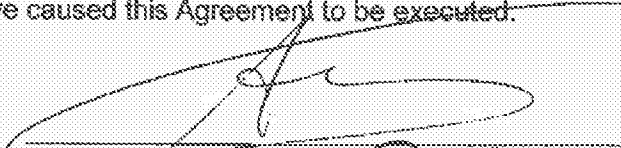

WHEREAS, Assignee desires to receive an assignment of said Invention.

Assignor hereby authorizes and requests any attorney or agent associated with USPTO customer number **15755** to insert here in parentheses ( Application No. 14/533584, filed 11/05/2014 ) any United States patent application number and filing date.

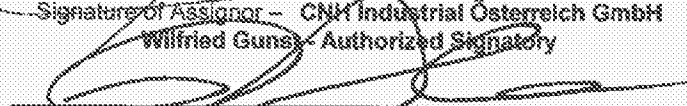

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties, Assignor hereby sells, assigns, transfers, and conveys to Assignee the entire right, title and interest in the country of the United States of America in and to the Invention and in and to any patent application and patent granted thereon filed in said country, and including all divisions, reissues, continuations, continuations-in-part, and extensions of any such patent application and of all corresponding right of priority resulting from the filing thereof, and authorize and request that any and all said patents be issued to said Assignee, or its successors and assigns. The Assignor covenants that it has full rights and power to enter into this Assignment Agreement and agrees that it will communicate to the Assignee or its representative, all facts known to it respecting the Invention, whenever requested, and that it will provide access to personnel to testify in any legal proceeding, and that its personnel will sign all lawful papers, execute all division, continuation, continuations-in-part and reissue applications, and make all rightful oaths, and generally do everything possible to aid Assignee, its successors, assigns, and nominees, to obtain and enforce proper patent protection for the Invention in said country.
