**ASSIGNMENT AND AGREEMENT**

For value received, we, **Edward J. BLAIR, Stephen LUNDY, Brandon L. Szoke, and David A. KIRBY**, hereby transfer to **LUTRON ELECTRONICS CO., INC.**, with its principal place of business located at 7200 Suter Road, Coopersburg, PA 18036, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **PHOTOSENSITIVE ELEMENT ASSEMBLY**, described in provisional application **Serial No. 61/865,774 filed August 14, 2013**, non-provisional application **Serial No. 14/459,825 filed August 14, 2014**, and international (PCT) patent application no. **PCT/US2014/51061, filed August 14, 2014**, and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof, or claiming priority therefrom that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **LUTRON ELECTRONICS CO., INC.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, including salary or payment for the making of inventions, or employee benefits, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said Assignee, its successors, assigns and designees, our entire right, title, and interest in and to said provisional patent application and said utility patent application, and any divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patent or patents that may be issued or reissued thereon and similar protective rights granted on said applications, as well as the right to claim any applicable priority rights arising from said application under the terms of any applicable conventions, treaties, statutes or regulations, and all rights for past infringement.

We authorize **LUTRON ELECTRONICS CO., INC.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the
