ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by Hyogyecom KIM, having an address at 101-1105 Woonam Firstville Apt., Gweol-dong 616-1, ~~Gyeonggi~~, Osan, Gyeonggi, Republic of /SM/ Korea, 18121 (hereinafter referred to as “Assignor”). 9/16/2016

WHEREAS, Assignor have invented certain new and useful improvements in **OPTICAL MODULE DEVICE AND METHOD OF MANUFACTURING THE SAME** (hereinafter referred to as “Invention”), set forth in U.S. Patent Application No. 15/ 263,135, filed September 12, 2016, (hereinafter referred to singularly and collectively as “Application,” Attorney Docket No. 2072548-0101PTUS); and

WHEREAS, Yottahn, Inc., a California corporation, having its principal place of business at 345 Sheridan Ave. #207, Palo Alto, CA 94306 (hereinafter referred to as “Assignee”), is desirous of acquiring the entire right, title and interest in and to said Invention and said Application, and in and to any Letters Patent of the United States to be obtained therefor and thereon.

NOW, THEREFORE, IN CONSIDERATION OF good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, Assignee’s successors, legal representatives and assigns, the entire right, title and interest in and to the Invention and Application, and in and to any and all direct and indirect non-provisional, provisional, design, division, continuation and continuation-in-part of or claiming priority to said Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extension of said Letters Patent, and all rights under the International Convention for Protection of Industrial Property including all rights of priority, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and

entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owners of the entire right, title and interest in and to said Invention and said Application, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said Invention, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns shall advise: that any proceeding in connection with said Invention, or said Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Director of the United States Patent and Trademark Office to issue said Letters Patent of the United States to Assignee, as Assignee of said Invention, said Application and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment the application filing date and application serial number, and any further

identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
