PATENT ASSIGNMENT

1. **WHEREAS**, Commercial Coating Services International, LLC, a Texas limited liability company, of 10655 Jefferson Chemical Road, Conroe, Texas 77305 USA (hereinafter referred to as Assignor), is the owner of the entire right, title, and interest in and to certain letters patent and the inventions disclosed therein; and to certain applications for letters patent and the inventions disclosed therein; and

2. **WHEREAS**, Aegion Coating Services, LLC, a Texas limited liability company, of 10655 Jefferson Chemical Road, Conroe, Texas 77305 USA, an affiliate of and under common control with Assignor (hereinafter referred to as Assignee), is desirous of acquiring said right, title, and interest of Assignor;

3. **NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, at the Effective Time (as defined below), Assignor has agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignor's right, title and interest in and throughout the world, in and to said letters patent and all reissues thereof and reexamination certificates therefor, and the inventions disclosed therein, including Assignor's full right to sue for and recover all damages recoverable from past infringements of said letters patent; including specifically, without limiting the generality of the foregoing, the patents listed in Exhibit A attached hereto; and Assignor has further agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignor's right, title and interest in and throughout the world in and to said inventions, said applications, any other applications (including provisional, non-provisional, divisional, continuing, or reissue application) based in whole or in part on said applications or in whole or in part on said inventions, any foreign applications based in whole or in part on any of the aforesaid applications or in whole or in part on said inventions, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid applications or on said inventions or any part thereof; including, specifically, without limiting the generality of the foregoing, the applications listed in Exhibit A attached hereto.

4. **TO BE HELD AND ENJOYED BY** Assignee, its successors and assigns, to the full ends of the respective terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

5. **AND** Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said United States patent applications to Assignee, its successors and assigns.

6. **IN WITNESS WHEREOF**, Assignor has caused these presents to be executed by its officers thereunto duly authorized and its corporate seal to be affixed this 31st day of December, 2015, effective as of 12:01 a.m. Central Standard Time, December 31, 2015 (the "Effective Time").
