ASSIGNMENT AND AGREEMENT

WHEREAS, Endo-Therapeutics, Inc., a Florida corporation, having a place of business at 15251 Roosevelt Blvd, #204, Clearwater, Florida 33760 (the "Assignor") owns all right, title and interest in and to the the invention described in U.S. Provisional Application No. 15/260,676, filed on September 9, 2016 (the "Invention");

WHEREAS, the Assignor acknowledges that any of its right, title, or interest in the Invention vest in **Cook Incorporated**, a corporation of the State of Indiana having an office at 750 N. Daniels Way, Bloomington, IN 47404, U.S.A. ("Assignee"), by virtue of employment or otherwise.

WHEREAS, Assignor desires to assign to Assignee all of its right, title, and interest in, to, or under the Invention, and Assignee desires to accept such an assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignor hereby sells, assigns and transfers unto Assignee and its successors, assigns, and legal representatives all of its right, title and interest in the Invention in the United States of America and all other countries and states of the world, and all the rights and privileges in said application and under any and all Letters Patent or any application claiming the benefit of said application or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States and in any region, country or state of the world for the Invention or Inventions (including, without limitation, all proceeds thereof and the rights to sue for past, present and future infringements). Assignor sells, assigns, and transfers all of its right, title and interest in the Invention or Inventions as of the day of signature or of filing of the first filed patent application for the Invention or Inventions, whichever is the earlier.

The Assignor authorizes Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for the Invention or Inventions, without further authorization from me/us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Assignor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document that may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for the Invention or Inventions and to claim the aforesaid benefit of the right of priority.

Assignor requests that any and all patents for the Invention be issued to Assignee in the United States and in all countries foreign to the United States, or to such nominees as Assignee may designate. The undersigned representative of Assignor is an authorized representative of Assignor and has the authority to bind Assignor to all the terms and conditions of this Assignment for and on behalf of Assignor.
