ASSIGNMENT

THIS ASSIGNMENT, made by **Bayer Intellectual Property GmbH**, a corporation of Alfred Nobel-Str. 10, Monheim am Rhein, Germany 40789 (“Assignor”), hereby transfers Assignor’s rights as set forth in the following application for United States Letters Patent:

Title	Filing or 371(c) Date	Serial No.
ONE-WAY SEPARATOR FOR RETAINING AND RECIRCULATING CELLS	August 19, 2014	14/379,577

(“the Application”).

WHEREAS, Bayer Aktiengesellschaft, located at Kaiser-Wilhelm-Allee 1, 51373 Leverkusen, Germany (“Assignee”), is desirous of acquiring the entire right, title, and interest in and to said Application, including the right to claim priority therefrom, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto Assignee, its successors, legal representatives, and assigns, its entire right, title, and interest in, including the right to claim priority from, and to the above-mentioned invention and Application, and in and to any and all direct and indirect divisions, continuations, and continuations-in-part of said Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations, and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives, and assigns that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is an owner of an undivided interest in the entire right, title and interest in and to the said invention and Application above-mentioned, and that the same is unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives, and assigns, that Assignor will sign all papers and documents, take all lawful

oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of any Letters Patent and applications for Letters Patent for said invention, its successors, legal representatives, and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives, or assigns shall advise: that any proceeding in connection with said invention, or said Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to Assignee, as Assignee of said invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives, and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

- The practitioners associated with Customer Number 84331.
