ASSIGNMENT

WHEREAS, I, Kevin Arnal of Excelsior, MN (the "Inventor") have invented certain new and useful improvements in IMPLANT SHEATH SYSTEM HAVING A RELEASE FEATURE, for which provisional patent applications in the United States have been made, which may be identified in the United States Patent Office by Application No. 62/151,467, filed April 23, 2015, and Application No. 62/151,540, filed April 23, 2015, and for which an application for Letters Patent of the United States have been made, and which may be identified in the United States Patent and Trademark Office by Application No. 15/136,976, filed April 24, 2016 (the "Invention").

WHEREAS, Astora Women's Health, LLC ("Assignee"), a business entity organized and existing under the laws of the State of Minnesota, and having its principal offices at 13200 Pioneer Trail, Suite #100, Eden Prairie, MN 55347, is desirous of acquiring the entire right, title and interest in and to said Invention, said applications and in, to and under any and all Letters Patents to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration to Assignor in hand paid by said Assignee, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, Assignor's entire right, title and interest in and to said Invention, said applications, all applications claiming priority to said applications including all design patents, CPAs, utility patents, all divisions, continuations or renewals thereof, continuation in parts, and the Letters Patents, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Assignor hereby authorizes the above mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said applications when ascertained.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patents, in its own name if desired, in the USA and any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, duplicate or
