A S S I G N M E N T

For valuable and sufficient consideration from The Segerdahl Corp. dba SG360°. (hereinafter referred to as "Assignee"), an Illinois corporation having its principal place of business at 1351 S. Wheeling Road, Wheeling, Illinois 60090, receipt of such consideration being hereby acknowledged, I,

1) Brock James Murphy
   1367 Algonquin Drive
   Elgin, IL 60120
   US

hereby sell, assign and convey unto Assignee, its successors and assigns, my/our entire right, title and interest: (1) in and to an invention entitled "**FOLDABLE PACKET FOR HOLDING A GOODS PACKAGE**" for which I/we have executed a United States Patent Application herewith (and I hereby authorize my attorneys to insert the serial number and filing date herein): United States Patent Application No. 15/286,735 filed on October 6, 2016 ;

(2) in and to said PCT Patent Application, United States Patent Application and/or United States Provisional Application(s) and in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States (including divisional, continuation, reexamination, and reissue applications, and legal equivalents thereof) based upon said invention, and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

I/we agree that any patent applications of any countries foreign to the United States which may be filed under any applicable international treaties and/or conventions based upon said invention(s) shall be filed in the name of Assignee with the right to claim priority to any earlier filed applications based upon said invention(s).

I/we hereby further agree that I/we shall, upon demand of Assignee, its successors or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me/us.

I/we hereby further agree and authorize the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States to issue any and all above-identified patents to Assignee.

I/we hereby further agree and authorize my/our legal representative or Assignee's legal representative to insert the serial number and filing date of said United States Patent Application above once they are known.
