ASSIGNMENT

WHEREAS, I, **DONALD MARK MACMILLAN**, residing at 20376 Wharf Street, Maple Ridge, British Columbia Canada, V2X 1A3, a citizen of Canada, hereinafter "Assignor", has invented new and useful improvements in a "**DRYWALL JOINT FINISHING TOOL**" for which United States Patent No. 9,283,586 was issued on March 15, 2016, which claims priority to United States Provisional Patent Application Serial No. 61/585,411 filed on January 11, 2012; and

WHEREAS, **HAYWOOD ENERGY CORPORATION** of 1057 Gower Point Road, Gibson, British Columbia, Canada VON 1V3, hereinafter "Assignee", is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignor hereby does sell, assign and transfer unto Assignee the entire right, title and interest in and to said invention, and all related patent applications and patents in the United States and throughout the world, including without limitation, any letters patent which may issue thereon or therefor, and any subsequent patent(s) or application(s) claiming priority to the above-identified applications, including any non-provisional U.S. patent application(s) claiming priority under 35 U.S.C. § 119(e), any foreign or international counterpart application(s) for patent or utility model, any reissue, reexamination, division, continuation-in-part, extension or continuation application(s), all rights of priority under any international

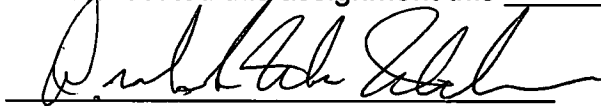

treaty or convention arising from said applications, and the right to sue and collect damages for any past, present, or future infringement; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made. Further, this assignment includes all know-how and all technology associated with the invention or patent applications or patents.;

AND, I hereby bind myself and my heirs, legal representatives, administrators and successors, to properly execute without further consideration any and all applications, petitions, oaths, declaration and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assigns to obtain and enforce proper protection for said invention in all countries throughout the world.

Assignor acknowledges that the attorneys and agents of the law firm of Gardner Groff Greenwald & Villanueva, P.C. do not personally represent Assignor or Assignors' legal interests, but instead represent the interests of Assignee, and cannot provide legal advice to Assignors with respect to this Assignment. Assignor further acknowledges his right to obtain independent legal counsel.

IN WITNESS WHEREOF, I have executed this assignment this 27 day of
Sept., 2016.

Signed:
