ASSIGNMENT

Keith Harring, having a mailing address of 9120 Old Route 22, P. O. Box 56, Bethel, Pennsylvania 19507, a citizen of the United States of America, and Robin Wald, having a mailing address of 1732 Iowa Street, Bellingham, Washington 98229, a citizen of Canada, are the inventors of

CARGO TRACKING SYSTEM

for which the undersigned have executed an application for United States Letters Patent, U.S. Provisional Patent Application No. 61/663,250, filed June 22, 2012.

K.L. Harring Transportation LLC, a limited liability corporation having a principal place of business at 9120 Old Route 22, P. O. Box 56, Bethel, Pennsylvania 19507 (hereafter referred to as the assignee), is desirous of acquiring the entire right, title, and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title, and interest in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrant that the rights and property herein conveyed are free and clear of any encumbrance.
