**ASSIGNMENT**

WHEREAS, we, Jesse Brandau Miller, Katherine Kyle Feeney, Yuan Xie, Steve Zhang, Adam Jamison Oliner, Jindrich Dinga and Jacob Leverich (“ASSIGNORS”), are the original joint inventors of subject matter disclosed and/or claimed in a nonprovisional patent application, the title of which is:

CLUSTERING EVENTS BASED ON EXTRACTION RULES

for which we are about to make, or have made, application for Letters Patent of the United States. ASSIGNORS hereby authorize legal representatives of Shook, Hardy & Bacon L.L.P. to insert here the Application No. 15/276,693, and Filing Date September 26, 2016, when known; and

WHEREAS, SPLUNK INC., a corporation duly organized under the laws of the State of Delaware, and having its principal place of business at 250 Brannan Street, San Francisco, California 94107-2007, USA, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said SPLUNK INC., the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the above-identified application; in, to and under said application; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations; in, to

and under any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said SPLUNK INC., for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and ASSIGNORS do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.
