WHEREAS, UNIVERSITÀ DEGLI STUDI DI BRESCIA, also known as the University of Brescia, a university organized and existing under the laws of the nation of Italy, having its principal place of business/business address at PIAZZA DEL MERCATO 15, 25121 BRESCIA, ITALY, hereinafter called the "Assignee", is desirous of acquiring the entire right, title and interest of the inventors DAMIANO CRESCINI, PAOLO CRESCINI, CLAUDIO LEGENA, and ALESSIO GALLI, hereinafter referred to as "the Assignors", in and to said invention, the above noted application, and to any Letters Patent which may be obtained for said invention, and as hereinafter more fully set forth; and

WHEREAS, the inventors DAMIANO CRESCINI, PAOLO CRESCINI, CLAUDIO LEGENA, and ALESSIO GALLI have previously assigned their entire right, title and interest in the United States to the invention and above noted International patent application Number PCT/US2015/029731, and in and to any division, continuation, or continuation-in-part of said application by an Assignment dated June 20, 2016 and recorded with the United States Patent & Trademark Office at Reel/Frame 038958/0723; and

WHEREAS, the said Assignors and the said Assignee are desirous of confirming that the Assignment dated June 20, 2016 extends to the above-noted U.S. national stage patent application and in and to any Letters Patent of the United States that may issue for said invention;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that for and in the consideration of the sum of One Dollar (\$1.00) and other valuable and legally sufficient consideration, the receipt of which by said Assignor(s) from said Assignee is hereby acknowledged, the said Assignor(s) has/have sold, assigned and transferred, and by these

presents does/do sell, assign and transfer unto the said Assignee, their entire right, title and interest in the United States to the invention and above noted application, and in and to any division, continuation, or continuation-in-part of said application, and in and to any Letters Patent of the United States and reissues and extensions thereof that may issue for said invention, together with their entire right, title and interest in and to said invention and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States; and their entire right, title and interest in any international applications, such as those filed under the Patent Cooperation Treaty and any continuations or continuations-in-part thereof, to have and to hold for the sole and exclusive use and benefit of the said Assignee, their successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

AND the said Assignor(s) does/do hereby covenant and agree, for himself/themselves and his/their legal representatives, that he/they will assist said Assignee in making and prosecuting any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, investing in the said Assignee like exclusive title in and to all such other applications and Letters Patent, together with all claims for damages and profits by reason of past infringement of all or any of the patents issuing from the Patent Application, with the right to sue for and collect same for Assignee's own use (and for the use of Assignee's successors and assigns); and in the prosecution of any interference which may arise involving said invention, or any application for Letters Patent herein contemplated; and that he/they will execute and deliver to the said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of this agreement.

AND the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this agreement.
