ASSIGNMENT

Whereas, Logibag SAS of 2 rue de la Mandiniere, 72300 Sable sur Sarthe, France obtained from Jean-Louis Barre, by virtue of his employment with Logibag SAS, all rights to the invention titled "Method for operating an automated collection point", which is described in GB Patent Application No. 1302620/8 and PCT Application No. PCT/GB2014/000053;

Whereas, by a Deed of Assignment executed on February 12, 2013, Logibag SAS assigned all its rights to the above invention to ByBox Holdings Limited, a corporation having a place of business at 1-2 Cherry Barns, High Street, Harwell, Didcot, Oxfordshire, OX11 0EY, United Kingdom;

Whereas, ByBox Holdings Limited obtained from Dan Turner and Robin Minto, by virtue of their employment with ByBox Holdings Limited, all rights to the invention titled "Method for operating an automated collection point", which is described in GB Patent Application No. 1302620/8 and PCT Application No. PCT/GB2014/000053;

Whereas Logibag SAS and ByBox Holdings Limited wish to confirm such assignment of the above invention, the above applications, and United States Patent Application No. 14/768,063 filed on August 14, 2015 to ByBox Holdings Limited;

Now, therefore, in view of the previously executed Deed of Assignment executed on February 12, 2013, Logibag SAS and ByBox Holdings Limited confirm that all rights to the above invention, GB Patent APPLICATION No. 1302620/8, PCT Application No. PCT/GB2014/000053, United States Patent Application No. 14/768,063, any patents that may issue for the invention in the United States; and all patent applications and patents issuing therefrom in all countries foreign to the United States, are owned by ByBox Holdings Limited, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the ByBox Holdings Limited, its successors and assigns, to the full end of the term or terms for all such patents.

Logibag SAS covenants and agrees, for both Logibag SAS and the Logibag SAS's legal representatives, that Logibag SAS will assist ByBox Holdings Limited in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that ByBox Holdings Limited may elect to make covering the invention identified above; in vesting in ByBox Holdings Limited like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or
